

Therma-Tru expands Classic Craft Mahogany-grained flush-glazed door offering

[MAUMEE, OHIO, Jan. 21, 2022–] Therma-Tru introduces new Classic Craft Mahogany-grained 3/4-lite flush-glazed doors and full-lite sidelites, to bring an updated look to virtually any home.

Classic Craft Mahogany-grained 3/4-lite flush-glazed doors and full-lite sidelites are available for the Artissa, Founders and Visionary Collections in a variety of decorative, privacy and textured and clear glass options. The EnLiten flush-glazed design highlights luxe craftsmanship with glass built directly into the door for a clean look with no added embellishments.

“Our Classic Craft product line sets the standard for premium fiberglass entryways,” said Mark Ayers, senior vice president of marketing and product development for Therma-Tru. “We’re excited to expand our offering and deliver the on-trend options homeowners are asking for.”

Derived from the finest African and Honduran Mahogany, these doors feature a subtle interlocking grain pattern meticulously recreated with Therma-Tru’s AccuGrain technology, providing a look and feel that’s virtually indistinguishable from real wood.
